Re: Security Committee (SECOM) Charter

Dear Mr. Elder:

This is in response to your letter of June 9, 1982 (IC 82-3446), regarding the wording for Section 2.b(2) of the proposed SECOM Charter.

Please be advised that the suggested wording contained herein has been internally staffed with representatives of the Office of Intelligence Policy and Review, the Criminal Division and the Federal Bureau of Investigation.

We recommend that the existing language proposed for Section 2.b(2) in your letter be deleted, subparagraphs 2.b(3-6) be renumbered as 2.b(2-5), and the following be added as 2.c (existing subparagraphs 2.c and 2.d would be renumbered as 2.d and 2.e, respectively):

- c. "Establish policies for the conduct of preliminary inquiries within the Intelligence Community of unauthorized disclosures of intelligence information and for assessments of the impact of such disclosures on the intelligence process; and to develop corrective security measures to preclude such recurrence of unauthorized disclosures."

Should you wish to discuss this proposal with me, you may reach me on 633-2094.

Sincerely,

Department of Justice SECOM Member

cc: Chairman, SECOM
